

# RUBEN LECHOSA

ERP Junior Consultant & Web Developer

## ABOUT ME

I'm a Junior Consultant at CSB System, specializing in ERP solutions. Currently, I've paused my Computer Engineering studies to focus on this professional opportunity, bringing versatility, dedication, and problem-solving skills to dynamic projects.

## WORK EXPERIENCE

- January 2021 - Present  
La pizza Torrefarrera | Torrefarrera  
**Cashier, Delivery & Management**  
I provide customer service, manage order processing and logistics, and deliver orders to customers' homes.
- June 2022- August 2022 (10 weeks of internships abroad)  
Comcubed Computers | Londonderry NI  
**Web Developer & IT Support**  
I designed and programmed the corporate website and repaired computers, addressing both hardware and software issues.
- September 2022 - June 2023 (Almost 10 months)  
eCityclic | Lleida  
**Web Developer**  
I started as an intern learning Plone 4, 5, and 6, then was hired part-time. I designed and developed websites, handled frontend tasks, managed content, and created documentation.
- June 2023 - September 2023 (3 months)  
Aramark Coors Field, Denver CO as a J1  
**Cashier**  
I provided customer support, handled transactions, solved problems, worked in teams, and communicated effectively.
- June 2023 - September 2023 (3 months)  
Bar Dough | Denver CO as a J1  
**Busser**  
I cleared and reset tables, collaborated with the team, provided customer support, and handled pressure in a fast-paced environment.
- June 2024 - September 2024 (3 months)  
Double Cut SteakHouse | Austin TX as a J1  
**Bartender**  
I made drinks, ensuring quality and satisfaction for guests. I provided customer service, resolved issues, worked closely with the team, and handled high-pressure situations. I also maintained bar equipment.
- October 2024  
CSB-System Spain | Lleida  
**ERP Junior Consultant**  
I made drinks, ensuring quality and satisfaction for guests. I provided customer service, resolved issues, worked closely with the team, and handled high-pressure situations. I also maintained bar equipment.
